**PETITION UNDER 37 CFR §1.78(A) TO CORRECT A BENEFIT CLAIM OF
PRIORITY AFTER FILING**

Pursuant to 37 CFR §1.78(a) and in response to the Office Action mailed September 12, 2005, Applicant hereby petitions to correct the claim of priority. The application was originally filed improperly claiming priority to only the earliest priority date (for U.S. Application No. 08/630,846, filed April 11, 1996). The claim for priority to the pending parent application, Application No. 09/371,208, filed August 10, 1999, was erroneously omitted. Applicant submits that the error was unintentional and requests that the proper claim to priority be entered in the instant application. An amendment correcting the specification and a supplemental declaration are being filed concurrently herewith to support the correction.

Enclosed is a check for \$130 to cover the fee of 37 CFR §1.17(t) for this petition. Please apply any other charges or credits to Deposit Account No. 06-1050.
